

# Indicative Major Grain Prices (Western Australia) as at Thursday, 13 July 2017

2017/18 Season Crop (Farm Gate Prices)

Insured Values per tonne are 'farm-gate' prices. We have deducted \$50 per tonne to cover transport costs from farm to port, merchant fees or levies for the prices quoted below.

Crop	Central & North	South West
Wheat (APW1)	\$270	\$265
Barley (F1)	\$215	\$215
Canola	\$525	\$525
Oats	\$155	\$160
Lupins	\$245	N/A

## Notes

Given the variability between traders, delivery sites, grades, charges and transport costs, the above grain prices are a guide based on sources we believe to be reliable as at Thursday, 13 July 2017, but is not guaranteed by Rural Affinity to be accurate or free from omission.

Please note that prices will vary from day to day. You can check updated prices at the following websites or alternatively with a grain trader. For further information:
