

Indicative Major Grain Prices (Western Australia) as at Thursday, 11 July 2019

2019/20 Crop (Farm Gate Prices)

Insured Values per tonne are 'farm-gate' prices. For quoted prices 'at port' we have deducted \$50 per tonne to cover transport costs from farm to port, merchant fees or levies.

Crop	Farm Gate Price (Central & North)	Fam Gate Price (South-West)
Wheat (APW1)	\$240-\$250.00	\$240-\$250.00
Barley (F1)	\$210.00	\$210.00
Canola	\$550.00	\$550.00
Oats 1	\$280.00	\$260.00
Lupins	\$270.00	n/a

Notes –

Given the variability between traders, delivery sites, grades, charges and transport costs, the above grain prices are a guide based on sources we believe to be reliable as at Thursday, 11 July 2019, but is not guaranteed by Rural Affinity to be accurate or free from omission.

Please note that prices will vary from day to day. You can check updated prices at the following websites or alternatively with a grain trader. For further information :
