- Permanently owner occupied
- Cover for insured's domestic dwelling and liability only is acceptable

> How to quote with us

Broadacre and Cotton are available for quoting through our online portal, **Laserbeam**. Contact us today to get set up with a login.

Farm Pack, Small Farm Pack and other Agri Products are quoted manually by our experienced underwriting team. Please send all quote requests and queries to the respective emails shown below.

To quote, we require a 5-year claims history and risk details. We can quote off a proposal form, a competing schedule, an Excel document, or information in an email—whatever is easiest for you!

> Contact us

Our dedicated underwriting team is always available to discuss our products and work with you to find the best solution for your insured clients. To connect with our Development Underwriters specific to your state, you'll find their contact details below. For any other enquiries, including general information or claims assistance, our teams are here to help you.
